

Unique, innovative products constructed with premium materials

mondi™

gardening

coil hose & sprayer set

with quick disconnect 25'

- A seven-pattern sprayer with self-coiling hose, quick disconnect connections and a threaded Mondi Pump connector as a complete watering package

THE COIL HOSE

- Unique self-coiling hose that extends to 90% of its total length 24"
- Lightweight, extremely flexible and less fatiguing to use

THE SPRAYER

- Turrethead sprayer quickly adjusts the spray pattern to seven different settings: soaker, cone, mist, center, flat, jet, and shower
The rear pistol trigger adjusts the pressure
Soft grip ergonomic handle for comfort and performance
- Suitable for small jobs around the house, garden, garage, boat, RV, camping, or wherever a lightweight hose and sprayer is needed

model #G460
