## mini-greenhouse

7" with Easy Vents

- Professional propagation dome with more cubic volume for starting seeds or cuttings
- Constructed from proprietary food-grade materials that do not off gas and kill plants
- Temperature and humidity controlled by two adjustable vents for better growing results
- Heavy duty plastic maximizes light penetration with lasting durability
- Perfectly fitted for standard 1020 trays to create a tight seal and reduce moisture loss
- Replacement vents included!

**Make the Easy Grow Combo™!**

Ideal in combination with our  
Propagation Tray Insert and 1020 Nursery Tray!

**model #G100**
