

Unique, innovative products constructed with premium materials

mondi™

gardening

transport boxes

- Mondi's Transportation Box is the ultimate in transporting delicate cuttings.
- The unique design of the side entry allows the mondi Easy Grow Combo (the mondi Mini-Greenhouse in 7" or 4", the Mondi 1020 Nursery Tray and the optional mondi 55-01 Pellet Pocket Insert) to delicately slide in or out as one unit.
- This unique design reduces or eliminates damages, increases efficiency and packing speeds, and provides unparalleled storage and transportation solution.

model #G106 - #G116
